

On-Boarding Program Crescent Rotary

Rev. 3: August 12, 2008

Congratulations on your acceptance into Crescent Rotary Club. We are delighted to have you as a member. We have developed the following on boarding program to help you transition successfully into the club.

This 15 month on-boarding program is designed to introduce you to various aspects of Rotary International, as well as the membership, structure and functioning of Crescent Rotary club. The program is broken into 3 estimated time periods with different requirements for each period. When you have completed a set of requirements, please submit the appropriate form to the Membership Chair.

During your orientation training, we will review this program with you, assign you your mentor team, and answer any questions you have.
